

First IATDMCT Regional Meeting 2010 in China

First Announcement

Invitation

Dear Colleagues and Friends:

The first regional meeting under the auspices of International Association of Therapeutic Drug Monitoring & Clinical Toxicology (IATDMCT) will be held in Beijing China, from September 24 to 25, 2010. On behalf of the Organizing Committee it is our great pleasure to invite you to participate in this Meeting.

The meeting is organized to provide an exciting scientific program with the goal to encourage and improve the development in TDM, CT and clinical pharmacology field in developing country/areas. The theme is “Better TDMCT, Better Treatment”. There will be state of the art lectures covering recent advances, oral short communications as well as ample opportunity for discussion and exchange of experience. The invited speakers are well-known international and local experts who will present the latest developments and insights in their respective areas. There is a Pediatric Session in this Meeting. All attendees will be issued an IATDMCT certificate of attendance and thesis. Also there is a chance to compete the excellent paper Awards. With your active participation I am convinced that we can make this first IATDMCT regional meeting into a great success!

Beijing is the capital of China with over three thousand years of rich history. There are many exciting sightseeing places listed by the UNESCO as world’s natural and cultural heritages, such as the Great Wall, the Palace Museums, the Temple of Heaven, the Summer Palace, Hou-tong, ZhouKou Dian Site of Beijing ape-men, and the Olympic Stadium... Dynamic Beijing is an attractive city and continuously changing. Chinese society is peaceful and transportation is convenient. Honest, hospitable and humorous people and delicious Chinese food are waiting for you. I am sure you will enjoy your stay and get impressed with lifting memories.

Looking forward to seeing you in Beijing in September!

Local Organizing Committee

Chair: Li Wang, M.D., Ph.D., Professor of Peking University First Hospital, China

Co-Chair: Alexander A. Vinks, MD, PhD, President IATDMCT, Professor of Cincinnati Children’s Hospital Medical Center, University of Cincinnati, USA

Vice chairs: Suodi Zhai, Ph.D., Professor of Peking University Third Hospital, Beijing, China; Wei Lu, PhD, Dean and Professor of Peking University School of Pharmaceutical Sciences, Beijing, China

Call for papers:

Authors are invited to submit a 400-800word abstract and full paper (if you want to compete the excellent Paper Awards). All papers should be original, not published elsewhere. Preliminary selection of papers will be based on review of the abstracts. Both the abstracts and the full papers will be reviewed by the scientific committee. All papers to be presented at the conference will be published in the proceedings which will be available at the conference. Authors are encouraged to submit the abstracts and full paper by e-mail (in MS Word or PDF format) to: iatdmet2010@yahoo.cn .

Article and abstract should be written following Aim, Method, Results, Conclusion in English, submission deadline for abstract is June 30, 2010., [for full paper is August 20, 2010.](#)

Meeting Topics:

New methodology and techniques in TDM & CT.

Standard of practice in TDMCT

Population PK and PK/PD.

TDMCT in special population.

Pharmacogenetics and pharmacogenomics.

Pharmacoeconomics related to TDM.

Clinical toxicology.

TDM and clinical trail

TDM and clinical pharmacology in pediatrics

Other fields relate to TDMCT (such as TDM to detect drug-drug interaction, adverse drug reactions, TDMCT services and management).
