**News from the Communication Committee**

The CC would like to remind that via the website IATDMCT offers assistance to members who are either looking for a new professional position (job, PhD, Post-Doc) in the field of TDM/CT or are seeking assistance in advertising vacancies at their institution. To do this simply go to [https://www.iatdmct.org/members-only/members-only-employment.html](https://www.iatdmct.org/members-only/members-only-employment.html) and complete the respective inquiry form. Take advantage of networking in IATDMCT!

Even in these challenging times, IATDMCT continues to support laboratory medical and technical professionals, toxicologists, pharmacologists as well as our colleagues in biotechnology and supplier companies. Some of our members are currently conducting clinical tests for COVID-19 and/or trying to introduce new biomarkers to monitor recovery. Thank you, we salute you!

Below please find informative links about the current situation which specifically address the rapid identification of COVID-19 cases as well as methods to eliminate errors or adverse reactions due to interaction of drugs:
